

You're overpaying €51,330 a year.

€51,330

lost per year with your current suppliers

10.1%

lower landed cost with verified factories

4 of 5

SKUs cheaper. 1 is already well priced: keep it.

What to do

- €21,480 a year on the storage rack. The biggest leak. Switch first.
- €13,650 a year on the light chain. Linhai factory, IP44 and LVD tested.
- €16,200 a year on the hose reel and shears. The €1,800 shears mould pays back in under 3 months.
- €0 on the camping chair. Your supplier is good. Keep it, no fee.
